

SPOORTI SHIVAPPA

spoorti203@gmail.com | +91 8217049756 | www.linkedin.com/in/spoorti-shivappa-rayannavar-2a4440292/

SUMMARY

Aspiring Software Developer with a strong foundation in Java and SQL, and hands-on experience using Git and GitHub for version control. Consistently practicing Data Structures and Algorithms on platforms like LeetCode and CodeChef. Passionate about problem-solving, writing clean code, and continuously improving core software engineering skills.

TECHNICAL SKILLS

Languages: Java, Python, C, SQL, HTML5, CSS3

Database: MySQL, MongoDB

DevOps: Git, GitHub

SOFT SKILLS

Communication Skills: Clear and Consise Communication

Leadership: Team lead for Projects

Time Management

EXPERIENCE

Technical Internship | VAMP Innovations Ltd *Coimbatore, India*

- Studied EV working principles and core subsystems, with practical exposure to hardware–software communication for real-time monitoring, control, diagnostics, system integration, and testing.

Technical Internship | ABLE Electronics Services *Coimbatore, India*

- gaining hands-on experience in manufacturing, testing, and troubleshooting power conditioning equipment such as servo stabilizers, voltage regulators, transformers, and UPS systems.

PROJECT

Smart Dam Management System using IoT | Mini Project

Technologies: IoT Sensors, Arduino, Embedded C, Cloud Platform (Basics), Machine Learning

- Designed and implemented an IoT-based smart dam monitoring system integrating multiple sensors, automated sluice gate control, predictive flood analysis, secure data transmission for enhanced dam safety.

Hydraulic Central Stand For Two-Wheelers

Technologies: Hydraulic Systems, Mechanical Design, Material Selection, Manufacturing & Testing Techniques

- Designed and developed a hydraulic center stand for two-wheelers to enable safe, stable, and low-effort lifting, incorporating hydraulic actuation, safety locking mechanisms, and structural analysis for improved maintenance accessibility.

CERTIFICATIONS

- Infosys Springboard** - Programming in C (May 2024)
- University of California,Davis** - Introduction to Web Development(Jan 2025)
- NPTEL Online Course** - Design Thinking - A Primer with 79%(Silver)

ACHIEVEMENTS

- Published research paper** titled “Smart Dam Management: Implementing IoT Solutions for Water Level Monitoring and Control” in the **Proceedings of the 3rd International Conference on Emerging Applications of Material Science and Technology (ICEAMST 2025)**, held at RV College of Engineering (RVCE), Bengaluru.
- Secured 3rd Prize in Paper Presentation** at the **IEEE Women in Engineering (WIE) International Leadership Summit**, held at Anna University, Chennai.

EDUCATION

B.E in Electrical and Electronics

KIT-Kalaignarkaranidhi Institute of Technology, Coimbatore | CGPA: 8.5/10.0

10th - state Board(Karnataka) *percentage: 94.8/100*

12th – PCMB *percentage: 93.5/100*
